

FREQUENTLY ASKED QUESTIONS

Q: Is there a minimum order?

A: No. We realize people are skeptical at first, so we let the fruit speak for itself. For recurring deliveries a group should consist of at least 20 people.

Q: When do we pay?

A: We ask for a check at delivery. The check will be held for 7 days before being deposited to enable collection on your end.

Q: Rather than phone, can you email or fax the prices to me?

A: Yes

Q: Is the fruit organic?

A: We offer both conventional and organic fruit.

Q: How would I go about forming a buying group?

A: See the 2 enclosures titled "How to Build a Phone Tree" and "Example Phone Tree Layout."

Q: How long between deliveries?

A: Once the season starts, every 3 weeks.

Q: Can we use this fruit for canning?

A: Yes. Our fruit is top quality and is great fresh or canned. All of our stone fruit is of the freestone variety.
